Re: Recommendation for Work.

Hill Interior Contracts have worked along side us as our Sub Contractors on numerous projects for the Diocesan of Schools Commission and for various private Companies, individuals and Architects.

We have always found them to be efficient, competitive on quotation and very helpful on site.

Gary Jenkinson (Director) works hard on and off site to ensure contracts run smoothly whilst Jason Jenkinson keeps a firm grip on Health and Safety issues. The lads on site are proactive and interact well with our direct labour force and other Sub Contractors.

We would recommend Hill Interior Contracts for your next project.

Yours sincerely
